

Badgers Home Learning Week beginning 11th January 2021

Dear Parents,

I hope everyone has had a good week. I have been thinking of you all. Below is some information about the learning this week and attached is a timetable for you. This timetable tries to mirror what the children in school are doing too. Any live online session invitations will be sent on Teams. There may be occasions where I pre-record something and upload to Teams so please do try and encourage the children to check their accounts daily.

Collective worship: On Mondays Rev Gaenor holds our weekly church visit via zoom and invites you to join with us at 2.45pm on a Monday. Mrs Field has included a zoom invitation on her newsletter today with the link to join.

English

This week we are starting our unit on Fantasy writing and will be building up to writing a Fantasy story about the journey of a piece of food. Resources for Monday and Tuesday have been uploaded to Teams and further resources for the remainder of the week will follow.

Guided Reading

Our class reading book is 'Demon Dentist' by David Walliams. Please look at the guided reading document uploaded to see what chapter you need to read each day and the activity to complete. Every activity focuses on one of the reading VIPERS - Vocabulary, Infer, Predict, Explain, Retrieve or Summarise. When your child is reading at home please use the bookmark to help ask questions to develop their reading comprehension skills.

Maths

We are using White Rose Home Learning. Worksheets have been uploaded to Teams and the video links will follow shortly. On Friday we will focus on our Times Tables and Arithmetic skills.

Science

Lesson 1: In this lesson we will be learning all about the different parts of the Digestive System (lesson resources uploaded to Teams).

Lesson 2: In this lesson we are focusing on the different types of teeth. Please look at the photos uploaded for inspiration.

R.E.

Our focus is Hinduism: How can Brahman be everywhere and in everything? Lesson Plan and resources are on Teams.

Art/DT

Please can children try and make a wearable digestive system or create a painting or poster to show how the digestive system works. Photographs have been uploaded to Teams for inspiration.

Have a great week 😊
