

Hedgehog News

January 15th 2021

Hello Hedgehogs and Parents!

Well, we have all survived another week – I hope!!!

It was so lovely to see everyone on Wednesday morning, I hope the children enjoyed seeing one another and sharing their learning, pets or special things!

We hope to have a weekly 'catch up,' every week, varying the days, so that as many children can join us. I know that we can't do as much as we'd like at the weekends, but the children in school would like to say hello to everyone at home on Monday 18th and to see if everyone had a good weekend? I will send an invite via Teams.

We also thought it would be good to share some learning from our Letters and Sounds and would give the children a hunting activity for the weekend! So, the children need to come to the meeting with some household objects that represent this week sounds. So, Reception children need to bring an object starting with or contains V, W, X, Y. E.g. a violin or toy van! Whereas Year 1 children will need to find something containing or representing the ay, a-e, ea, e-e sounds e.g. cake. Children in school can bring their objects into school. We will share them as a year group not individually so no pressure if you don't find something!

We shall also continue to upload class stories that we have pre-recorded, Mrs Fields daughter Alice will be doing a **Well Being** zoom which the children can access on a Thursday, as well as **Whole school worship** with Revd. Gaenor on a Monday afternoon. So, lots of opportunities for the children to join in and see one another.

Worship Monday 2.40pm

Meeting ID: 828 6844 4812

Password: 529520

Well-being Thursday 2.30pm

Meeting ID: 859 5106 8219

Passcode: z2N4pv

With next weeks learning there are lots of opportunities for the children to practice their, Phonics, writing and Maths, as well as lots of other Theme learning. Again, it may seem a lot but do as much as you can. There are lots of practical activities and worksheets in the files section too. So, will definitely keep you busy.

In the files section of Teams each child has their own file and I am in the process of setting each child with a class notebook, this is a secure place to upload learning, where only I will have access to see it. Again, please bear with me!

Also, I'm really happy for any feedback as to how to improve or amend what we are doing, so please message me kbarge@stgrgeogrymarnhull.dorset.sch.uk
This is all new!

However, I have also really appreciated all the lovely, thoughtful messages I have received, it's a strange time but we will get there. It's important we all look after each other and do whatever ever we can to support our children. So please don't worry if you can't do everything!

I hope that you all have a lovely weekend, whatever you manage to do!

Happy Hunting!!!!

Please stay safe and keep smiling 😊

Best Wishes, Kelly Barge
