

Support for Inter-Parental Conflict Project

**Sheffield
Hallam
University**

'The SIPCo project aims to raise parents' awareness of the impact of their conflict on their children, and teaches parents strategies to reduce their conflict'

Eligibility:

- Have a child aged 8-14
- Have intense, frequency, and unresolved parental conflict
- Are willing to try something new to help resolve their conflict

**Referrals from Early Help Practitioners, School staff,
and Social Workers all welcome**

Families will receive one of two types of randomly assigned intervention. Both types of intervention are expected to give the families a positive outcome.
